Description of Maps Available	Price	Qty	Description of Maps Available	Price	Qty
<b>1) California Power Plants - Statewide Map</b> (#100) Statewide map showing all operational Power Plants 100kW (.1MW) and above. Plants are identified by fuel type but are not individually named.	\$30.00		<b>7) California Electric Transmission Lines - Statewide Map</b> (#600) Statewide map showing the electric transmission system with 34 - 500kV lines. Transmission lines are identified by owner and kV type. Substations are shown by owner but are not individually named.	\$30.00	
<b>2) California Power Plants - Upper, Middle, Lower Area Map</b> (#101) A three-part map set of upper, middle and lower California with Enlargement views showing congested power plant areas in closer detail. Plants are identified by fuel type and by name. Upon request, the Power Plant database can be e-mailed in Excel format listing fuel type, on-line date, utility service area, plant address & phone number and plant operator/owner address & phone number.  Individual maps from the three-part Power Plant set (mentioned above) are also available for ordering separately. <div> <input type="checkbox"/> Upper California (#102)                         <input type="checkbox"/> Middle California (#103)                         <input type="checkbox"/> Lower California (#104)                     </div>	\$150.00		<b>8) California Electric Transmission Lines - Upper, Middle, Lower Area Map</b> A three-part map set of upper, middle and lower California with Enlargement views showing congested transmission areas in closer detail. Transmission lines are identified by owner and kV type. Substations are shown by owner, type and are named. (#601) Upon request, the substation database can be e-mailed in Excel format listing facility name, owner and county.	\$150.00	
	\$50.00 (Each)		Individual maps from the three-part Transmission Line set (mentioned above) are also available for ordering separately. <div> <input type="checkbox"/> Upper California (#602)                         <input type="checkbox"/> Middle California (#603)                         <input type="checkbox"/> Lower California (#604)                     </div>	\$50.00 (Each)	
<b>3) Electric Generation Facilities and Sites Reviewed by the California Energy Commission</b> (#200) Historical map showing Power Plants, Transmission Lines and Pipeline Facilities that were either Built, Approved Not Built, In Review, Withdrawn or Denied by the California Energy Commission. Also shown are current Potential Projects for the California Energy Commission's review process. Projects are named and shown by project type.	\$30.00		<b>9) California Wind Resources - Statewide Maps</b> \$30.00 (Each) A. Annual Average Wind Speed @ 30, 50, 70 or 100 meter tower height ( <b>Specify tower height</b> )..... (#700) (#701) (#702) (#703) B. Seasonal Wind Speed @ 50 meter tower height ( <b>Specify spring, summer, winter or fall</b> )..... (#704) (#705) (#706) (#707) C. Annual Average Wind Power @ 50 meter tower height..... (#708) D. Seasonal Wind Power @ 50 meter tower height ( <b>Specify spring, summer, winter or fall</b> )..... (#709) (#710) (#711) (#712) E. Full set of 8 Wind Speed and 5 Wind Power maps (listed above).....\$300.00 per set.... (#713) F. Two disc set of wind maps that can be viewed with software provided.....\$20.00 (Seasonal maps NOT included on CD set) (#714)		
<b>4) California's Building Standards Climate Zones - Statewide Map</b> Statewide map outlining California's sixteen separate climate regions, which affect building energy use for heating and cooling. (#300)	\$30.00				
<b>5) California's Natural Gas Pipelines - Statewide Map</b> (#400) Statewide map showing major pipelines. Pipelines are identified by owner and pipe size diameter.	\$30.00				
<b>6) California's Electric Utility Service Areas - Statewide Map</b> (#500) Depicts California's electric utility service areas, with electric utility retail sale totals.	\$30.00		<b>10) Special Request Maps - Transmission, Power Plant or other</b> (#900) For special order customized maps call: (916) 654-4182 All maps are in color, are 36 " X 48 " in size and show county lines, major roads and major cities.	Prices start at \$50.00
